

The Legislature
of the
State of New Mexico

48th Legislature, 2nd Session

LAWS 2008

CHAPTER 48

HOUSE BILL 412

Introduced by

REPRESENTATIVE AL PARK AND REPRESENTATIVE ERIC A. YOUNGBERG

REPRESENTATIVE JEFF STEINBORN
REPRESENTATIVE RAY BEGAYE
REPRESENTATIVE JOSEPH CERVANTES
REPRESENTATIVE RODOLPHO S. MARTINEZ
REPRESENTATIVE W. KEN MARTINEZ

CHAPTER 48

AN ACT

RELATING TO DOMESTIC AFFAIRS; REVISING THE BASIC CHILD SUPPORT SCHEDULE.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF NEW MEXICO:

Section 1. Section 40-4-11.1 NMSA 1978 (being Laws 1988, Chapter 87, Section 2, as amended) is amended to read:

"40-4-11.1. CHILD SUPPORT--GUIDELINES.--

A. In any action to establish or modify child support, the child support guidelines as set forth in this section shall be applied to determine the child support due and shall be a rebuttable presumption for the amount of such child support. Every decree or judgment of child support that deviates from the guideline amount shall contain a statement of the reasons for the deviation.

B. The purposes of the child support guidelines are to:

(1) establish as state policy an adequate standard of support for children, subject to the ability of parents to pay;

(2) make awards more equitable by ensuring more consistent treatment of persons in similar circumstances; and

(3) improve the efficiency of the court process by promoting settlements and giving courts and the

1 parties guidance in establishing levels of awards.

2 C. For purposes of the guidelines specified in
3 this section:

4 (1) "income" means actual gross income of a
5 parent if employed to full capacity or potential income if
6 unemployed or underemployed. Income need not be imputed to
7 the primary custodial parent actively caring for a child of
8 the parties who is under the age of six or disabled. If
9 income is imputed, a reasonable child care expense may be
10 imputed. The gross income of a parent means only the income
11 and earnings of that parent and not the income of subsequent
12 spouses, notwithstanding the community nature of both incomes
13 after remarriage; and

14 (2) "gross income" includes income from any
15 source and includes but is not limited to income from
16 salaries, wages, tips, commissions, bonuses, dividends,
17 severance pay, pensions, interest, trust income, annuities,
18 capital gains, social security benefits, workers' compensation
19 benefits, unemployment insurance benefits, disability
20 insurance benefits, significant in-kind benefits that reduce
21 personal living expenses, prizes and alimony or maintenance
22 received, provided:

23 (a) "gross income" shall not include
24 benefits received from means-tested public assistance programs
25 or child support received by a parent for the support of other

1 children;

2 (b) for income from self-employment,
3 rent, royalties, proprietorship of a business or joint
4 ownership of a partnership or closely held corporation, "gross
5 income" means gross receipts minus ordinary and necessary
6 expenses required to produce such income, but ordinary and
7 necessary expenses do not include expenses determined by the
8 court to be inappropriate for purposes of calculating child
9 support;

10 (c) "gross income" shall not include
11 the amount of alimony payments actually paid in compliance
12 with a court order;

13 (d) "gross income" shall not include
14 the amount of child support actually paid by a parent in
15 compliance with a court order for the support of prior
16 children; and

17 (e) "gross income" shall not include a
18 reasonable amount for a parent's obligation to support prior
19 children who are in that parent's custody. A duty to support
20 subsequent children is not ordinarily a basis for reducing
21 support owed to children of the parties but may be a defense
22 to a child support increase for the children of the parties.
23 In raising such a defense, a party may use Table A as set
24 forth in Subsection K of this section to calculate the support
25 for the subsequent children.

1 D. As used in this section:

2 (1) "children of the parties" means the
3 natural or adopted child or children of the parties to the
4 action before the court but shall not include the natural or
5 adopted child or children of only one of the parties;

6 (2) "basic visitation" means a custody
7 arrangement whereby one parent has physical custody and the
8 other parent has visitation with the children of the parties
9 less than thirty-five percent of the time. Such arrangements
10 can exist where the parties share responsibilities pursuant to
11 Section 40-4-9.1 NMSA 1978; and

12 (3) "shared responsibility" means a custody
13 arrangement whereby each parent provides a suitable home for
14 the children of the parties, when the children of the parties
15 spend at least thirty-five percent of the year in each home
16 and the parents significantly share the duties,
17 responsibilities and expenses of parenting.

18 E. The basic child support obligation shall be
19 calculated based on the combined income of both parents and
20 shall be paid by them proportionately pursuant to Subsection K
21 of this section.

22 F. Physical custody adjustments shall be made as
23 follows:

24 (1) for basic visitation situations, the
25 basic child support obligation shall be calculated using the

1 basic child support schedule, Worksheet A and instructions
2 contained in Subsection K of this section. The court may
3 provide for a partial abatement of child support for
4 visitations of one month or longer; and

5 (2) for shared responsibility arrangements,
6 the basic child support obligation shall be calculated using
7 the basic child support schedule, Worksheet B and instructions
8 contained in Subsection K of this section.

9 G. In shared responsibility situations, each
10 parent retains the percentage of the basic support obligation
11 equal to the number of twenty-four-hour days of responsibility
12 spent by each child with each respective parent divided by
13 three hundred sixty-five.

14 H. The cost of providing medical and dental
15 insurance for the children of the parties and the net
16 reasonable child-care costs incurred on behalf of these
17 children due to employment or job search of either parent
18 shall be paid by each parent in proportion to that parent's
19 income, in addition to the basic obligation.

20 I. The child support may also include the payment
21 of the following expenses not covered by the basic child
22 support obligation:

23 (1) any extraordinary medical, dental and
24 counseling expenses incurred on behalf of the children of the
25 parties. Such extraordinary expenses are uninsured expenses

1 in excess of one hundred dollars (\$100) per child per year;

2 (2) any extraordinary educational expenses
3 for children of the parties; and

4 (3) transportation and communication
5 expenses necessary for long distance visitation or time
6 sharing.

7 J. Whenever application of the child support
8 guidelines set forth in this section requires a person to pay
9 to another person more than forty percent of the paying
10 person's gross income for a single child support obligation
11 for current support, there shall be a presumption of a
12 substantial hardship, justifying a deviation from the
13 guidelines.

14 K. BASIC CHILD SUPPORT SCHEDULE.---

15 BASIC CHILD SUPPORT SCHEDULE

16 Both parents'

17 Combined

3 BASIC VISITATION

4 INSTRUCTIONS FOR WORKSHEET A

5 Line 1. Gross monthly income:

6 Includes all income, except TANF, food stamps and supplemental
7 security income. If a parent pays child support by court
8 order to other children, subtract from gross income. Use
9 current income if steady. If income varies a lot from month
10 to month, use an average of the last twelve months, if
11 available, or last year's income tax return. Add both
12 parents' gross incomes and put total under the combined
13 column.

14 Line 2. Percentage of Combined Income:

15 Divide each parent's income by combined income to get that
16 parent's percentage of combined income.

17 Lines 3 and 4. Basic Support:

18 Fill in number of children on worksheet (Line 3). Round
19 combined income to nearest fifty dollars (\$50.00). Look at
20 the basic child support schedule. In the far left-hand column
21 of the basic child support schedule, find the rounded combined
22 income figure. Read across to the column with the correct
23 number of children. Enter that amount on Line 4.

24 Line 5. Children's Health and Dental Insurance Premium:

25 Enter the cost paid by a parent for covering these children

1 with medical and dental insurance under that parent's column
2 on Line 5. Add costs paid by each parent and enter under the
3 combined column on Line 5.

4 Line 6. Work-Related Child Care:

5 Enter the cost paid by each parent for work-related child
6 care. If the cost varies (for example, between school year
7 and summer), take the total yearly cost and divide by twelve.
8 Enter each parent's figure in that parent's column on Line 6.
9 Add the cost for both parents and enter in the combined column
10 on Line 6.

11 Line 7. Additional Expenses:

12 Enter the amounts paid by each parent for additional expenses
13 provided by Subsection I of this section on Line 7. Add the
14 cost for both parents and enter in the combined column on Line
15 7.

16 Line 8. Total Support:

17 Total the basic support amount from Line 4 in the combined
18 column with the combined column on Lines 5, 6 and 7 and enter
19 the totals in combined column on Line 8.

20 Line 9. Each Parent's Obligation:

21 Multiply the total child support amount on Line 8 by each
22 parent's percentage share on Line 2, and enter each parent's
23 dollar share under that parent's column on Line 9.

24 Line 10. Total Support:

25 Enter the total amount shown for each parent on Line 8 beside

1 the "minus" marks on Line 10.

2 Line 11. Each Parent's Net Obligation:

3 For each parent, subtract the amount on Line 10 from the
4 amount on Line 9. Enter the difference for each parent in
5 that parent's column on Line 11. The amount in the box "other
6 parent" is what that parent pays to the custodial parent each
7 month. Do not subtract the amount on the custodial parent's
8 Line 11 from the amount in the other parent's box. The
9 custodial parent is presumed to use the amount in that
10 parent's column on Line 11 for the children.

9 SHARED RESPONSIBILITY

10 INSTRUCTIONS FOR WORKSHEET B

11 Part 1 - Basic Support:

12 Line 1. Gross Monthly Income:

13 Includes all income, except TANF, food stamps and supplemental
14 security income. See text for allowed deductions from income.

15 Use current income if steady. If income varies a lot from
16 month to month, use an average of the last twelve months, if
17 available, or last year's income tax return. Add both
18 parents' gross incomes and put total under the combined
19 column.

20 Line 2. Percentage of Combined Income:

21 Divide each parent's income by combined income to get that
22 parent's percentage of combined income.

23 Lines 3 and 4. Basic Support:

24 Fill in the number of children on the worksheet (Line 3).

25 Round combined income to nearest fifty dollars (\$50.00). Look

1 at the basic child support schedule. In the far left-hand
2 column of that schedule, find the rounded combined income
3 figure. Read across to the column with the correct number of
4 children. Enter that amount on Line 4.

5 Line 5. Shared Responsibility Basic Obligation:
6 Multiply the basic obligation on Line 4 by 1.5.

7 Line 6. Each Parent's Share:
8 Multiply the support amount on Line 5 by each parent's
9 percentage share on Line 2, and enter each parent's dollar
10 share under that parent's column on Line 6.

11 Line 7. Each Parent's Time of Care for Children:
12 Enter the number of twenty-four-hour days of responsibility
13 that each parent has each child in a year according to the
14 parenting plan.

15 Line 8. Percentage of Twenty-Four-Hour Days With Each
16 Parent:
17 Divide each parent's number of twenty-four-hour days (Line 7)
18 by three hundred sixty-five to obtain a percentage.

19 Line 9. Amount Retained:
20 Under shared responsibility arrangements, each parent retains
21 the percentage of the basic support obligation equal to the
22 number of twenty-four-hour days of responsibility spent by
23 each child with each respective parent divided by three
24 hundred sixty-five. Multiply each parent's share of basic
25 support (Line 6) by the percentage in that parent's Line 8 and

1 enter the result on that parent's Line 9. This is the amount
2 that each parent retains to pay the children's expenses during
3 that parent's periods of responsibility.

4 Line 10. Each Parent's Basic Obligation:

5 Subtract the amount retained by each parent for direct
6 expenses (Line 9) from that parent's share (Line 6) and enter
7 the difference on that parent's Line 10.

8 Line 11. Amount Transferred for Basic Support:

9 In shared responsibility situations, both parents are entitled
10 not only to retain money for direct expenses but also to
11 receive contributions from the other parent toward those
12 expenses. Therefore, subtract the smaller amount on Line 10
13 from the larger amount on Line 10 to arrive at a net amount
14 transferred for basic support.

15 Part 2 - Additional Payments:

16 Line 12. Children's Health and Dental Insurance Premium:

17 Enter the cost paid by a parent for covering these children
18 with medical and dental insurance under that parent's column
19 on Line 12. Add costs paid by each parent and enter under the
20 combined column on Line 12.

21 Line 13. Work-Related Child Care:

22 Enter the cost paid by each parent for work-related child
23 care. If the cost varies (for example, between school year
24 and summer), take the total yearly cost and divide by twelve.
25 Enter each parent's figure in that parent's column on Line 13.

1 Add the cost for both parents and enter in combined column on
2 Line 13.

3 Line 14. Additional Expenses:

4 Enter the cost paid by each parent for additional expenses
5 provided by Subsection I of this section on Line 14.

6 Line 15. Total Additional Payments:

7 For each parent, total the amount paid by that parent for
8 insurance, child care and additional expenses (Lines 12, 13
9 and 14). Enter the total in that parent's column on Line 15
10 and the total of both parents' expenses under the combined
11 column on Line 15.

12 Line 16. Each Parent's Obligation:

13 Multiply the total additional payments (combined column on
14 Line 15) by each parent's percentage share of income on Line
15 2, and enter each parent's dollar share of the additional
16 payments on that parent's Line 16.

17 Line 17. Amount Transferred:

18 Subtract each parent's obligation for additional expenses
19 (that parent's Line 16) from the total additional payments
20 made by that parent (that parent's Line 15). The parent with
21 a "minus" figure pays the other parent the amount on Line 17.

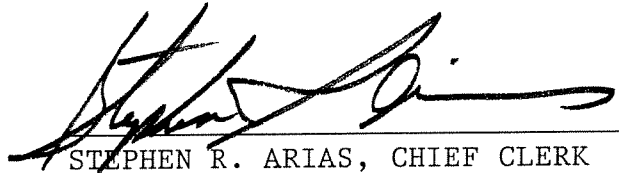

22 Part 3 - Net Amount Transferred:

23 Line 18. Combine Lines 11 and 17:

24 Combine the amount owed by one parent to the other for basic
25 support (Line 11) and the amount owed by one parent to the
