REBECCA VIGIL-GIRON
SECRETARY OF STATE

Dear Notary Public:

Congratulations on your appointment as a Notary Public. You are to be commended for your interest in serving the public. As a Notary Public you will be playing a vital role in assuring integrity to business and legal transactions. Your function as an impartial witness to the signatures on documents and the affixing of your seal plays an important role in the prevention of fraud and protection of the parties involved. It is your direct responsibility to exercise reasonable care by obeying all the notary laws and regulations, making every effort to exercise prudence and common sense and never engaging in the unauthorized practice of law.

Effective July 1, 2003, a new Notary Public Law went into effect. The new law raises the Notary Bond from \$500.00 to \$10,000.00 and the application fee from \$10.00 to \$20.00. As notaries you will also be able to charge more for services since basic notarization fees have increased. Please refer to the new Notary Public Act which is included in this handbook for other changes affecting how notarizations are to be performed.

I strongly encourage you to take the time to review this handbook so that you may increase your understanding of the new law. Your comprehension of New Mexico's notary law will result in greater competence for you as a Notary Public.

If you have questions of a legal nature you should consult an attorney. However, if you have questions which are not of a legal nature and are not addressed in this handbook, please feel free to contact this office. You may write or visit us at 325 Don Gaspar - Suite 300, Santa Fe, New Mexico 87503. Our website is www.sos.state.nm.us and our toll free number is 800-477-3632.

I thank you for your willingness to serve as a Notary Public.

Sincerely,

A handwritten signature in cursive script that reads "Rebecca Vigil-Giron".

Apostilles and Certification of Appointment

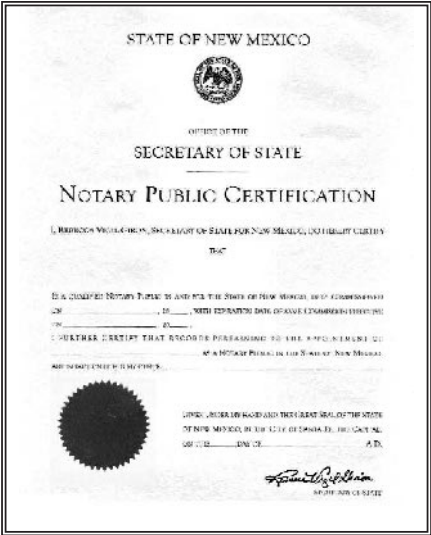

The Secretary of State's office is the only office in New Mexico authorized to issue a **certification** or **apostille** for a notarized document going to a foreign country. This office also issues certifications and apostilles for other public documents issued by government agencies including those issued by County Clerks and the State Registrar of Vital Records. Apostilles are accepted by those countries that are party to the Hague Convention of 1961. A listing of the countries that are party to the Hague Convention is available at the U.S. State Department's website (www.state.gov/www/authenticate/list.html) or by contacting our office. An apostille is attached to a notarized original document or a certified recorded instrument. For documents that are notarized, the apostille verifies that the person who notarized the document was appointed to a notary public commission in New Mexico at the time of the notarization. For certified recorded instruments issued by government agencies, the apostille verifies that the person who certified the document was an appointed or elected official in New Mexico at the time of the certification. Examples of public documents include birth certificates, death certificates, marriage licenses, divorce decrees, and school transcripts. Notarized documents going to foreign countries that are not party to the Hague Convention receive a **certification of appointment**. A certification of appointment also certifies that the individual who performed the notarization was appointed to a notary public commission at the time of notarization. The statutory fee for a certification of appointment or an apostille is \$3.00 per document. Checks and money orders should be made payable to the "Secretary of State". You may request an apostille or certification in person or by mail. Requests are processed daily by the Operations Division. Our office is located at 325 Don Gaspar - Suite 300, Santa Fe, New Mexico 87503. Our hours are 8:00 - 5:00, Monday-Friday. Please mail the original document(s) and specify the country to which the document(s) will be sent. It is required by law that the document presented must have notarial certificate wording. Please provide a telephone number in the event that we need to contact you regarding your request. If delivery other than first class mail is needed, you must enclose a pre-addressed, pre-paid airbill with your request. Please call our office at 1-800-477-3632 if you have further questions regarding these types of authentications.

IMPORTANT: The Secretary of State is the **only designated authority in New Mexico** who may issue a certification pursuant to section 14-12A-22 NMSA, 1978. The Apostille is a specific form of authentication for countries that participate in the Hague Convention of 1961.

CERTIFICATION OF APPOINTMENT**

A Certification of Appointment is used for documents that are not party to the Hague Convention. This certification certifies that the notary public was appointed to a notary public commission at the time of notarization and is a qualified notary public in the State of New Mexico.

Before a document can be presented for authentication to the Office of the Secretary of State, the Notary Public is responsible for the following:

1. Signing his/her name exactly as he/she was commissioned on the document that is being notarized.
2. Completing the notarial certificate on the document presented for notarization.
3. Printing his/her expiration date correctly, clearly and completely.
4. Affixing his/her notary public seal.

PRECAUTIONS

New Mexico notaries public should be aware of the following precautions:

1. A notary may not notarize a document that does not have a notarial certificate. A non-attorney notary public shall not determine the type of notarial act or certificate to be used.
2. Notaries should not notarize documents on which they are a signer or in which they are named.
3. Notaries should not notarize documents of transactions to which the notary is a personal beneficiary (this does not include notaries acting in the scope of their employment for their employer, such as a secretary or an office clerk).
4. Notaries may notarize documents when acting in a professional capacity such as a professional advisor, counselor, agent or attorney.
5. Because of the notary's need to be impartial, he should avoid notarizing for family members or in any other circumstance when his impartiality can be questioned or challenged. A notary cannot notarize his own signature.
6. New Mexico notaries may only perform notarizations within the state's borders, and do not have authority to notarize any document outside of the state of New Mexico.
7. Notaries must safeguard their seal by keeping it in a secure place when not in use.
8. Although it is not required by law it is recommended that a notary public keep a permanently bound journal of his notarial acts.
9. Documents which have been changed or altered with correction fluid or correction tape should not be notarized.

REMINDERS

1. A notary must never notarize a signature not signed or acknowledged in the notary's presence!

This is the most important rule to protect a notary from legal liability.

2. A notary is to serve any person who makes a lawful and reasonable request for a notarization.
3. A notary is an impartial witness to a transaction.
4. A notarization does not prove the truthfulness of the contents of a document or validate a document and render it legal.
5. If a notary has any doubt about the signer's identity, it is best not to notarize that signature.
6. A notarization provides verification of a document signer's willingness to sign, his competence to sign, and that the signer is, indeed, the person identified by the signature.
7. A signature affixed to a document by a rubber stamp cannot be notarized. Conversely, a notary must perform a notarization by signing his manual signature and not with the use of a rubber stamp of his signature.
8. Notaries may **NOT** make a photocopy of a birth certificate or a death certificate, marriage certificate, nor a publicly recordable document. Birth and death certificates are official state records. Certified copies may be obtained only from the State Registrar of Vital Records at Vital Records & Health Statistics in Santa Fe, New Mexico by calling 505-827-2338 or at the Health Department in Albuquerque, New Mexico by calling 505-841-4185, or by visiting their website (www.health.state.nm.us/).
9. An employer shall not establish fees for notarial services that are in excess of those specified on page 10, nor on the attributes of the principal as delineated.
10. Notary public's shall neither certify nor authenticate a photograph.
11. A New Mexico Notary Public may not use the term "Notario Publico" or any equivalent non-English term in any business card, advertisement, notice or sign.
12. A notary public shall not claim to have powers, qualifications, rights or privileges that the office of notary public does not provide, including the power to counsel on immigration matters.

NOTARY PUBLIC COMPLAINT INFORMATION

A formal complaint may be filed against a New Mexico Notary Public regarding misconduct or violation of the “Notary Public Act” by filing a letter of complaint through the Secretary of State. The Secretary of State will provide notice to the Governor who makes the notary public appointment and is responsible for the removal of a notary public pursuant to section 14-12A-26 NMSA, 1978. Upon receipt of the complaint the Governor will forward the complaint to the Attorney General for investigation of the alleged violations by the notary public. In accordance with section 14-12A-26 NMSA, 1978 the Governor may revoke the commission of any notary public who:

1. submits an application for appointment as a notary public that contains a false statement;
 2. is or has pleaded guilty or nolo contendere to a felony or been convicted of a felony or of a misdemeanor arising out of a notarial act performed by him;
 3. engages in the unauthorized practice of law;
 4. ceases to be a New Mexico resident; or
 5. commits a malfeasance in office.
- B. A notary public’s commission may be revoked under the provision of this section only if action is taken subject to the rights of the notary public to notice, hearing, adjudication, and appeal.
- C. Resignation or expiration of a commission does not terminate or preclude an investigation into the notary public’s conduct by the governor or by the attorney general, a district attorney, or any law enforcement agency of this state, who may pursue the investigation to a conclusion, where upon it shall be made a matter of public record whether or not the finding would have been grounds for revocation.
- D. In lieu of revocation, the Governor may deliver a written Official Warning to Cease Misconduct to any notary public whose actions are judged to be official misconduct.
