HOUSE BILL 266

with emergency clause

Introduced by
REPRESENTATIVE JOHN A. HEATON

EMERGENCY CLAUSE

CHAPTER 61

AN ACT

RELATING TO PUBLIC FINANCE; EXTENDING THE PERIOD FOR WHICH CERTAIN UNEXPENDED APPROPRIATIONS SHALL BE CREDITED TO THE NEW MEXICO RECOVERY AND REINVESTMENT FUND; DECLARING AN EMERGENCY.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF NEW MEXICO:

Section 1. Section 6-4-2.5 NMSA 1978 (being Laws 2009, Chapter 126, Section 1) is amended to read:

"6-4-2.5. NEW MEXICO RECOVERY AND REINVESTMENT FUND.--

A. The legislature finds that:

(1) the state is not eligible for an increase to the federal medical assistance percentage provided in Subsection (b) or (c) of Section 5001 of the federal American Recovery and Reinvestment Act of 2009 if any amounts attributable, directly or indirectly, to the increase are deposited or credited into any reserve or rainy day fund of the state;

(2) in order to ensure compliance with this requirement, it is desirable to set up a fund separate and apart from the state's general fund to capture unexpended fiscal year 2009, 2010 or 2011 general fund appropriations attributable to an increase to the federal medical assistance percentage provided in Subsection (b) or (c) of Section 5001 of the federal American Recovery and Reinvestment Act of 2009;

(3) the separate fund will also enable the

1 state to clearly account to the federal government regarding
2 earnings and expenditures on unexpended fiscal year 2009, 2010
3 or 2011 general fund appropriations attributable to an
4 increase to the federal medical assistance percentage provided
5 in Subsection (b) or (c) of Section 5001 of the federal
6 American Recovery and Reinvestment Act of 2009; and

7 (4) in the period of time during which the
8 fund will be available for expenditure, the fund will be used
9 to stabilize the state's budget in the event of revenue
10 shortfalls and to fund the state's share of the medicaid
11 program, thereby preserving jobs and minimizing reductions in
12 essential services, both of which are stated purposes of the
13 federal American Recovery and Reinvestment Act of 2009.

14 B. The "New Mexico recovery and reinvestment fund"
15 is created in the state treasury. The fund shall consist of
16 money that is credited to the fund pursuant to Subsection C of
17 this section, reversions to the fund of the unexpended
18 balances of appropriations from the fund, appropriations made
19 to the fund and investment income credited to the fund. Money
20 in the fund shall not revert to any other state fund at the
21 end of any fiscal year and shall not be expended for any
22 purpose except as provided in this section. Income from
23 investment of the fund shall be credited to the fund.

24 C. Notwithstanding the reversion provisions of
25 general appropriation acts or other laws, at the end of fiscal

1 year 2009, fiscal year 2010 and fiscal year 2011, the
2 unexpended balance of a general fund appropriation shall be
3 credited to the New Mexico recovery and reinvestment fund if
4 the secretary of finance and administration, in consultation
5 with the director of the legislative finance committee,
6 determines that the unexpended balance is attributable to an
7 increase in the federal medical assistance percentage provided
8 in Subsection (b) or (c) of Section 5001 of the federal
9 American Recovery and Reinvestment Act of 2009.

10 D. If revenue and transfers to the general fund at
11 the end of fiscal year 2009, 2010 or 2011 are not sufficient
12 to meet general fund appropriations, the governor, with state
13 board of finance approval, may transfer to the general fund
14 from the unappropriated balance of the New Mexico recovery and
15 reinvestment fund an amount up to the amount of the
16 insufficiency.

17 E. Except as provided in Subsection D of this
18 section, the New Mexico recovery and reinvestment fund may be
19 appropriated by the legislature solely for medicaid expenses
20 in fiscal year 2010, fiscal year 2011 and the first quarter of
21 fiscal year 2012; provided that any balance of an
22 appropriation from the fund not expended within the period
23 provided in the appropriation shall revert to the fund.

24 F. The unexpended balance of the New Mexico
25 recovery and reinvestment fund as of September 30, 2011 shall

1 be returned to the federal government, unless federal law or
2 regulation provides for a different disposition."

3 Section 2. EMERGENCY.--It is necessary for the public
4 peace, health and safety that this act take effect
5 immediately.
