14 "59A-4-15. HEARINGS--IN GENERAL.--

15 A. The superintendent may hold a hearing, without  
16 request by others, for any purpose within the scope of the  
17 Insurance Code.

18 B. The superintendent shall hold a hearing:

19 (1) if required by any other provision of  
20 the Insurance Code; or

25 holding of a hearing or order on hearing or pursuant to such

1 an order on a hearing of which such person had notice.

2 C. The request for a hearing shall briefly state  
3 the respects in which the applicant is so aggrieved, the  
4 relief to be sought and the grounds to be relied upon as  
5 basis for relief.

6 D. If the superintendent finds that the request is  
7 made in good faith, that the applicant would be so aggrieved  
8 if the stated grounds are established and that such grounds  
9 otherwise justify the hearing, the superintendent shall  
10 commence the hearing within thirty days after filing of the  
11 request, unless postponed by mutual consent. No postponement  
12 shall be later than ninety days after the filing of the  
13 request.

14 E. Pending the hearing and decision, the  
15 superintendent may suspend or postpone the effective date of  
16 the action as to which the hearing is requested. If upon  
17 request the superintendent refuses to grant the suspension or  
18 postponement, the person requesting the hearing may apply no  
19 later than twenty days from the superintendent's refusal to  
20 the district court of Santa Fe county for a stay of the  
21 superintendent's action or proposed action pending the

10           "59A-18-12. FILING OF FORMS AND CLASSIFICATIONS--REVIEW  
11 OF EFFECT UPON INSURED.--

12           A. An insurance policy, health care plan or  
13 annuity contract shall not be delivered or issued for  
14 delivery in this state, nor shall an assumption certificate,  
15 endorsement, rider or application that becomes a part of a  
16 policy or health care plan be used, until a copy of the form  
17 and the classification of risks pertaining to the policy or  
18 health care plan has been filed with the superintendent.  
19 Except for a filing for health insurance or health care plan  
20 rates, a filing shall be made at least sixty days before its  
21 proposed effective date. A filing made pursuant to this  
22 section shall not become effective nor shall it be used until  
23 approved by the superintendent pursuant to Section 59A-18-14  
24 NMSA 1978, at which time it may be used. A filing related to  
25 health insurance or health care plan or rates shall be

1 subject to the provisions of Section 5 of this 2011 act. A  
2 filing for any kind of insurance other than life insurance,  
3 health care plans or health insurance, as defined in the  
4 Insurance Rate Regulation Law, shall be deemed to meet the  
5 requirements of Chapter 59A, Article 18 NMSA 1978 to become  
6 effective unless disapproved pursuant to Section 59A-18-14  
7 NMSA 1978 by the superintendent before the expiration of the  
8 waiting period or an extension of the waiting period;  
9 provided, that:

10 (1) this subsection shall not apply as to  
11 policies, contracts, endorsements or riders of unique and  
12 special character not for general use or offering but  
13 designed and used solely as to a particular insured or risk;

14 (2) if the superintendent has exempted a  
15 person or a class of persons or a market segment from a part  
16 or all of the provisions of the Insurance Rate Regulation Law  
17 pursuant to Subsection C of Section 59A-17-2 NMSA 1978, the  
18 superintendent also may exempt by rule that person, class of  
19 persons or market segment from a part or all of the  
20 provisions of this subsection;

21 (3) an insurer subject to the Insurance Rate  
22 Regulation Law may authorize an advisory organization to file  
23 policy forms, endorsements and other contract language and  
24 related attachment rules on its behalf. Reference filings  
25 shall be made prior to their use or by other methods the

1 superintendent may allow by rule; and

5 requirements of this subsection.

6 B. A workers' compensation insurance policy  
7 covering a risk arising from the employment of a worker  
8 performing work for an employer in New Mexico when that  
9 employer is not domiciled in New Mexico shall not be issued  
10 or become effective, nor shall any endorsement or rider  
11 covering such a risk be issued or become effective, until a

13 thereto have been filed with the superintendent.

14 C. An insured, a beneficiary or, in the public  
15 interest of the state, the attorney general, may in writing  
16 request the insurer to review the manner in which its filing  
17 has been applied as to insurance or health care plan afforded  
18 the insured, the beneficiary, or the attorney general. If  
19 the insurer fails to make a review and grant appropriate  
20 relief within thirty days after the request is received, the  
21 insured, the beneficiary or the attorney general may file a  
22 written complaint and request for a hearing with the  
23 superintendent stating grounds relied upon. If the complaint  
24 charges a violation of the Insurance Code and the  
25 superintendent finds that the complaint was made in good

1 faith and that the insured, the beneficiary or the attorney  
2 general would be aggrieved if the violation is proved, the  
3 superintendent shall hold a hearing, with notice to the  
4 insured, the beneficiary or the attorney general and insurer  
5 stating the grounds of complaint. If upon the hearing the  
6 superintendent finds the complaint justified, the  
7 superintendent shall order the insurer to correct the matter  
8 complained of within a reasonable time specified but not less  
9 than twenty days after a copy of the order was mailed to or  
10 served upon the insurer.

11 D. All filings submitted pursuant to this section  
12 shall be filed electronically. The superintendent may  
13 designate an entity to receive the electronic filings  
14 submitted pursuant to this section.

15 E. As used in this section, "health insurance" or

1 1978 within sixty days of the filing date. The  
2 superintendent shall approve any form if the superintendent  
3 finds that it complies with the Insurance Code and shall  
4 disapprove any form, classification of risks or rate only on  
5 one or more of the following grounds:

7 violation of or does not comply with the Insurance Code;

8 (2) if the form contains, or incorporates by

12 purported to be assumed in the general coverage of the  
13 contract, or that encourage misrepresentation of the policy  
14 or its benefits;

15 (3) if the benefits offered are unreasonably  
16 restricted in relation to the premium charged;

17 (4) if the form has a title, heading or

22 solicited by advertising, communication or dissemination of  
23 information that is deceptive or misleading.

24 B. If the superintendent disapproves any form  
25 during the sixty-day review period, the superintendent shall

1 give the insurer written notice of the disapproval, stating  
2 the grounds for the disapproval.

3 C. After expiration of the sixty-day review period  
4 referred to in Subsection A of this section or at any time

8 section. The superintendent's order issued on such hearing  
9 shall state the grounds for disapproval or withdrawal of  
10 previous approval and the date, not less than twenty days  
11 after the date of the order, when disapproval or withdrawal  
12 of approval shall become effective.

10 approval of the superintendent pursuant to Section 6 of this  
11 2011 act and compliance with the provisions of that act.

12 C. Upon making a filing pursuant to Subsection A  
13 of this section, an insurer shall provide written notice to  
14 policyholders and beneficiaries potentially affected by the  
15 insurer's filing. The language of the notice shall meet the  
16 minimum language simplification standards in the Policy  
17 Language Simplification Law. The insurer shall provide, at a  
18 minimum, the following in its notice:

2 premium rate increase in the geographic area covered;

3 (6) for blocks of business in existence for

24 statement and actuarial memorandum that the insurer has filed  
25 with the division.

1           G. Notwithstanding any other provision of this  
2 section, upon request by an insurer, the superintendent may  
3 exempt from disclosure any part of the filing that the  
4 superintendent determines to contain proprietary information  
5 and that would, if disclosed, harm competition. Pending the  
6 superintendent's determination under this subsection, the  
7 superintendent shall not disclose the part of a filing that
