BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF NEW MEXICO:

SECTION 1. Section 22-10A-11 NMSA 1978 (being Laws 2003, Chapter 153, Section 42, as amended) is amended to read:

A. A level three-A license is a nine-year license granted to a teacher who meets the qualifications for that level and who annually demonstrates instructional leader competencies. If a level three-A teacher does not demonstrate essential competency in a given school year, the school district shall provide the teacher with additional professional development and peer intervention during the following school year. If by the end of that school year the teacher fails to demonstrate essential competency, a school district may choose not to contract with the teacher to teach in the classroom.

B. The department shall grant a level three-A license to an applicant who has been a level two teacher for at least three years and holds a post-baccalaureate degree or national board for professional teaching standards certification; demonstrates instructional leader competence as

1 required by the department and verified by the local
2 superintendent through the highly objective uniform statewide
3 standard of evaluation; and meets other qualifications for the
4 license.

5 C. With the adoption by the department of a highly
6 objective uniform statewide standard of evaluation for level

20 D. The minimum salary for a counselor who holds a
21 level three or three-A license as provided in the School

24 Subsection C of this section.

25 E. A level three-B license is a nine-year license

5 F. The department shall grant a level three-B
6 license to an applicant who:

7 (1) holds a level two license and meets the
8 requirements for a level three-A license or who holds a
9 current level two teacher's license and, for at least four
10 years, has held the highest-ranked counselor license as
11 provided in Chapter 22, Article 10A NMSA 1978 and rules
12 promulgated by the department;

1 (\$50,000) multiplied by the applicable responsibility factor.

2 H. By the beginning of the 2008-2009 school year,
3 the department shall adopt a highly objective uniform
4 statewide standard of evaluation, which includes data sources
