A JOINT MEMORIAL

REQUESTING CONGRESS TO PASS THE FIX IT AMERICA CONSTITUTIONAL AMENDMENT.

WHEREAS, there is broad bipartisan support for fair elections and governance in New Mexico and across the United States of America; and

WHEREAS, there is agreement on the underlying principle that the role of money in elections and governance should be transparent, prevent corruption and protect against the buying of access to or influence over representatives; and

WHEREAS, there is further recognition that district lines drawn to intentionally or unduly favor or disfavor a political party undermine the most basic principles of fairness in elections and governance; and

WHEREAS, the proposed fix it America constitutional amendment provides:

"Section I. Congress and the states shall have the power to regulate the role of money in elections.

No such regulation shall be deemed in violation of freedom of speech rights in the Constitution of the United States or its Amendments.

Section II. Legislative districts or districting plans shall not intentionally or unduly favor or disfavor any political party.";
