To the Honorable Maggie Toulouse Oliver  
Secretary of State of New Mexico

I am writing to express my support for the proposed rule 01.10.12 NMAC – Absentee Voting which, among other things, enables blind people like myself to mark the printed absentee ballot using the speech or low vision technology of my choice. I strongly support the proposed repeal and replace of 01.10.12 NMAC – Absentee Voting. People who are blind or visually impaired need a way to mark the printed absentee ballot privately and independently.

Thank you for considering my request.

Sincerely,  
Jeff Blair
